

Über dieses Buch

Dies ist ein digitales Exemplar eines Buches, das seit Generationen in den Regalen der Bibliotheken aufbewahrt wurde, bevor es von Google im Rahmen eines Projekts, mit dem die Bücher dieser Welt online verfügbar gemacht werden sollen, sorgfältig gescannt wurde.

Das Buch hat das Urheberrecht überdauert und kann nun öffentlich zugänglich gemacht werden. Ein öffentlich zugängliches Buch ist ein Buch, das niemals Urheberrechten unterlag oder bei dem die Schutzfrist des Urheberrechts abgelaufen ist. Ob ein Buch öffentlich zugänglich ist, kann von Land zu Land unterschiedlich sein. Öffentlich zugängliche Bücher sind unser Tor zur Vergangenheit und stellen ein geschichtliches, kulturelles und wissenschaftliches Vermögen dar, das häufig nur schwierig zu entdecken ist.

Gebrauchsspuren, Anmerkungen und andere Randbemerkungen, die im Originalband enthalten sind, finden sich auch in dieser Datei – eine Erinnerung an die lange Reise, die das Buch vom Verleger zu einer Bibliothek und weiter zu Ihnen hinter sich gebracht hat.

Wir fördern die Nutzung des öffentlich zugänglichen Materials für diese Zwecke und können Ihnen unter Umständen helfen.
- + *Beibehaltung von Google-Markenelementen* Das "Wasserzeichen" von Google, das Sie in jeder Datei finden, ist wichtig zur Information über dieses Projekt und hilft den Anwendern weiteres Material über Google Buchsuche zu finden. Bitte entfernen Sie das Wasserzeichen nicht.

# PREFACE.

HOLY CROSS  
COLLEGE  
LIBRARY

FOLLOWING the precedent of former years, the Thirty-second Annual Issue of WILLING'S PRESS GUIDE has been carefully revised, no expense being spared in order to support its reputation as the handiest and readiest for reference, and for the information usually required in regard to the Press of the World the most complete and reliable work of its class.

For much of the information the thanks of the Proprietors are due to the Publishers who have favoured them by replying to their request for particulars, the few who have failed in this respect being distinguished in the alphabetical arrangement by an asterisk (\*).

In the newspapers are included only such as appear under distinct titles. Many of these are simply reprints of other papers with the heading alone changed, while others have some variation which entitles them to be called localised editions.

The number of periodicals might be greatly increased by adding, as is commonly done, a large number of strictly American magazines and many hundred parish magazines, the latter mostly some well-known monthly localised by the addition of a cover with parochial notices and local advertisements.

It is perhaps necessary to state that throughout the Guide the prefix "bi" signifies "two," not "twice;" consequently, a "bi-monthly" is published every *two months*, a "bi-weekly" every *two weeks*.

Suggestions, corrections, and information calculated to further improve the scope of this work will be gratefully received, and the Publishers respectfully request that any change in the title, day of issue, price, publisher, or office of any of the publications herein may be notified to them, together with the titles

## **Preface.**

of any that may be discontinued during the year. Particulars and a copy of anything new that may appear in the course of the year should be directed to "The Editor," in order to secure insertion in the next edition.

The thanks of the Proprietors are returned to numerous appreciative friends and to the newspaper proprietors who have kindly assisted to produce a trustworthy Guide to the Press.

**THE OLDEST EVENING PAPER—Established 1803.**

# The Globe

**ONE PENNY.**

Six Editions are published daily, from One to Seven p.m.

THE GLOBE consistently advocates sound constitutional doctrine, and gives an independent support to the great Conservative party. Great energy is manifested to obtain the latest news, and it has always the character of receiving the earliest official intelligence.

Its circulation is very large, and rapidly increasing. In London it is largely sold at all bookstalls, at the principal newsagents, and in the streets. The subscription list is very considerable; and the Paper can also be had from newsagents in the principal towns, and at all important railway stations in the provinces. It is also much read in clubs, hotels, and reading-rooms throughout the United Kingdom and Continental cities.

THE GLOBE, which, from the reliability and excellence of its news and reports—Parliamentary, law, and general—its latest telegrams, money market intelligence, &c., has the reputation of being the LEADING as well as the OLDEST EVENING PAPER, has now added to its other features

### A Complete Sporting Service.

The SPECIAL EDITION, published at 6.30 p.m., gives the full results of all events, together with the jockeys' weights, next day's programmes, and starting prices of all the horses running, and a SPECIAL DESCRIPTION OF EACH RACE at all the day's race-meetings throughout the kingdom. The latest betting on the course, the entries, weights, and acceptances, programmes, and scratchings for all coming events are also carefully chronicled. Its original matter, in addition to light reading under "Notes of the Day," includes letters from the chief Continental cities; and a special feature is the "Turnover" appearing on the front page, written on a social topic by writers who rank among the foremost *littérateurs* of the day.

**Special Notice.**—By the operation of the Postal Union, THE GLOBE, being under 2 ozs., can be sent by book post at the minimum rate—One Halfpenny; so that the subscription for all parts of the World is now the same as for the United Kingdom, viz. :—

## AN UNPRECEDENTED COMBINATION.

# LIVERPOOL DAILY POST AND LIVERPOOL MERCURY.

Two newspapers of the first rank in provincial journalism, the **LIVERPOOL DAILY POST** and **LIVERPOOL MERCURY**, have just been amalgamated, and are now published as one newspaper under the title of

### **Liverpool Daily Post and Liverpool Mercury.**

The advantages of this combination of two powerful papers will be obvious at once to all advertisers.

The **LIVERPOOL DAILY POST** has been for many years among the best-known of provincial newspapers, and the most influential organ in South and West Lancashire, Cheshire, and North Wales, and, indeed, throughout the whole North of England. It is noted for its exclusive news, its very full commercial reports, its literary ability, and its large circulation, while the **LIVERPOOL MERCURY** has a reputation most of all as one of the greatest advertising organs in the provinces.

The special and distinctive features of both papers are preserved in the joint paper.

The **LIVERPOOL DAILY POST** and **LIVERPOOL MERCURY** in completeness, in size, in the interest of its columns—News, Commercial, and Literary—is unrivalled.

The combination of the circulation of the two papers and their advertising connections make the joint paper probably without an equal in the provinces as an advertising medium.

Advertisements are received at both Liverpool offices, and letters or orders sent either to the **LIVERPOOL DAILY POST** Office or **LIVERPOOL MERCURY** Office receive immediate attention. The London Offices (Advertising and Private Wire) of the **LIVERPOOL DAILY POST** and **LIVERPOOL MERCURY** are 138 Fleet Street, E.C. (F. Johnston).

### THE LEADING JOURNALS OF THE LIVERPOOL AND NORTH-WEST DISTRICT ARE:

**MORNING.**—**LIVERPOOL DAILY POST** and **MERCURY**. First combined issue contained 57 columns of Advertisements.

**EVENING.**—**LIVERPOOL ECHO**, the Biggest (72 columns) and Brightest Evening Paper in the United Kingdom, often contains 2,000 Advertisements.

**WEEKLY.**—**LIVERPOOL WEEKLY POST**, the People's Popular Paper, guaranteed Circulation 280,000 Weekly—circulates from Glasgow to Cardiff.

**NOTE.**—The **WEEKLY MERCURY** is NOT amalgamated with the **LIVERPOOL WEEKLY POST**. It is still issued as before.

NOTES TO PRECEDING PAGE.

(1) Copies are in the British Museum. Twenty-one numbers issued at Oxford were "Re-printed at London for the use of some Merchants and Gentlemen, who desired them." "Numb. 1" is without date, the first paragraph being headed "Oxon, Nov. 7"—the cause of an erroneous date often given for the first issue: a later paragraph is dated Nov. 14. The second issue is without number, but headed "From Thursday, November 16, to Monday, November 20, 1665," showing that the first issue might have been from the earliest date (*Guernsey*, Oct. 30) to November 16, 1665. One earlier date in the first number is Nov. 4, 1664, the last figure perhaps an error in reprinting. Owing to difference of Style, paragraphs of foreign news dated in advance of the day of publication are to be met with in later issues. One interruption to the asserted regularity of the paper's appearance was caused by the Fire of London, when the printer—"Tho. Newcomb over against Baynards Castle in Thames Street"—must have been burnt out, and No. 86 did duty for a week, being dated "From Monday, September 3, to Monday, September 10, 1666."

(2) 1690 is the date often given. The first volume is in the British Museum, Nos. 1 to 3 being too much mutilated for the date to be correctly ascertained, but the fourth number is for Friday, March 10, to Monday, March 13, 1699 (N.S. 1700).

(3) The date commonly given is 1711, but as many copies of an earlier date are in the British Museum, it is assumed from No. 339, for July, 1708, that publication commenced in 1705.

(4) Green's History of Worcester (1796) states that it is conjectured a public paper was established in Worcester about 1690. That date is consequently claimed for this paper; but Green further adds that, whatever may have been printed previous to 1709, the *Worcester Postman*, in June of that year, assumed a regular and orderly appearance in a small folio of six pages, the printer being Stephen Bryan. The earliest copy known to be in existence of the *Worcester Postman* is said to consist of two pages, post folio, with a date in 1710. Volumes for 1712-14 were exhibited at the Caxton Celebration in 1877. In 1722 the paper had become the *Worcester Post or Western Journal*, and later the *Weekly Worcester Journal*, under which title a copy for Friday, March 3, to Friday, March 10, 1726-27, is in the British Museum, its number being 924, agreeing with the date July 1, 1709, for the first issue. In 1729 the paper had become the *Worcester Journal*, and on June 23, 1748, it announced the death of "Stephen Bryan, who near forty years was printer of this paper." About three months before his death Mr. Bryan assigned his business to Mr. Hervey Berrow, whose name was added to the title on Oct. 11, 1758.

(5) Stated to be unnumbered till 1725, when No. 1 was added to the issue for May 1.

(6) For the first eighteen years the numbers were divided into half-yearly volumes. Perhaps the earliest copy in existence is for Jan. 6, 1715-6, vol. vii. One for Nov. 7, 1717, vol. x., was exhibited at the Caxton Celebration, and the earliest copy in the British Museum is vol. xi., No. 21, for Thurs., May 22, 1718—twelve quarto pages, 8½ inches by 6. A number for 1719, vol. xiv., is said to be in the Museum of the Philosophical Society of Leicester; one is spoken of for 1723, vol. xxi.; and the British Museum contains vols. xxxi. and xxxii., for 1728, now an octavo of eight pages, 9 inches by 5½. The date of establishment of the present paper is probably 1731, as a copy of the *Lincoln, Rutland, and Stamford Mercury*, for Jan. 9, 1789, says "This paper for upwards of Fifty-seven years has been and continues to be circulated every Friday morning," &c., proving that the *Stamford Mercury* was not looked upon as the original of the present paper. The claim was first made on July 7, 1826, by a new proprietor, when he counted the 36 half-yearly volumes as so many years, and thus added 18 years to the age of the paper.

(7) Much of the pedigree of this paper and its collateral is shown in the following list of Titular Changes.

(8) 1713 is claimed as the date of establishment. A copy in the British Museum of the *British Chronicle* for March 28, 1771, is No. 34, vol. i.

(9) The date is assumed from an obituary notice of Mr. Wm. Chase in the paper for June 2, 1744, wherein he is

said to have "printed the *Norwich Mercury* for about 30 years." The proprietors on Jan. 26, 1884, issued a fac-simile of the paper of Jan. 21-8, 1727, and they have in their possession "an odd copy or two for 1721."

(10) No. 530 is dated March 22, 1722 (published twice a week), and No. 1 of the *Kentish Gazette* is dated April 30 to May 4, 1768. On the following 23rd of July the *Kentish Post* was incorporated, and the paper appeared as the *Kentish Gazette and Canterbury Chronicle*, beginning again as No. 1.

(11) Vol. ii., 1719-20, was in the Caxton Exhibition. The paper was discontinued from 1755 to 1767, a new numbering then being adopted.

(12) The first number was published on May 2, 1720. A copy of the first volume is in the Northampton Free Reference Library.

(13) 1720 has been given. No. 255 is dated Feb. 21, 1727.

(14) A copy of the first number, for July 8, 1723, is in the Bodleian Library, and of this a facsimile was issued as a supplement to the paper on July 8, 1822.

(15) The *York Courant* was incorporated with the *York Herald*, which started on Jan. 2, 1790.

(16) 1720 is frequently given. A copy for July 10, 1739, is No. 76, vol. ii.; and one for March 12, 1744, is No. 372, vol. ix. A copy of the *Salisbury and Winchester Journal* for Sept. 7, 1829, is 5639, following which the number is 56310, and so onwards!

(17) 1719 and 1721 are given. A copy for 1773 is No. 1858.

(18) 1736 is commonly given. The proprietor (1884) says 1737.

(19) 1748 is also given. A copy for Dec. 8, 1804, is No. 2198; pointing to a still later date.

(20) 1745 and 1746 have been given.

(21) Complete file from No. 1.

(22) A volume of the *Oxford Journal* for 1753 was in the Caxton Exhibition. *Jackson's Oxford Journal* for April 3, 1762, is No. 466.

(23) A copy of the *Leeds Intelligencer* for Jan. 3, 1883, says 1751, but in 1886 the date claimed is 1754.

(24) A copy of the *Bath Advertiser* for March 8, 1760, is No. 230, and one of the *Bath Chronicle* for May 7, 1761, is No. 30.

(25) The date commonly given is 1759. No. 1, in the British Museum, is dated Jan. 12, 1760.

(26) This had only reached No. 1319, vol. xxvii., on May 23, 1795.

(27) An earlier date, under a different name, is sometimes given to this paper, but with this title a copy of No. 17, for April 18-21, 1761, is in the British Museum.

(28) 1755 has been given, but a copy for Sept. 10, 1763, is No. 1, and one for March 14, 1776, is No. 88, vol. xiii.—"total number 1639."

(29) 1730 is frequently given.

(30) A copy for Nov. 23, 1775, is No. 761, vol. viii., and the title is preceded by "John Ferrar."

(31) This paper expired in 1844, its death being announced in its last number on the 1st of February. Two months later another proprietor started *The Chronicle*. On Feb. 7, 1849, "Waterford" was added by the proprietor to the headings of the inner pages, and a few weeks later it was added to the first page.

(32) This is said to be an error, being the date of the amalgamation of the *Kentish Post* and *Kentish Gazette* (see note (10)). However, a copy of the *Kentish Chronicle* for April 28, 1795, is No. 1592.

(33) 1789 and 1789 have been given. The paper was not numbered till June 21, 1792, when it was begun with No. 1024.

(34) A volume for 1772 was in the Caxton Exhibition. A copy for April 13, 1774, is No. 2 (*i.e.*, for that year). The numbers were reissued as a pocket volume at the end of each year as *Weatherby's Racing Book*.

(35) 1773 is sometimes given. No. 1 is in the British Museum, and dated May 2, 1775.

(36) 1778 is also given.

(37) 1777 and 1779 have been given.

(38) The first number, in the British Museum, speaks of itself as "The *Universal Register*, while its heading is "The *Daily Universal Register*, Printed Logographically, By His Majesty's Patent. Numb. 1, Saturday, January 1, 1785. Price Two-pence Half-penny." The printer is James Fleming. The first number of *The Times* is now exhibited in the British Museum.

(\*) This had only reached No. 996, vol. xx., on Jan. 6, 1830.

(\*) A *Bristol Weekly Mercury* had an existence much earlier in the century. A copy for Dec. 1, 1716, is No. 61.

(\*) 1788 is also given.

(\*) No. 6 of *The Observer*, for Jan. 8, 1792, is in the British Museum.

(\*) In 1862 this paper was incorporated with the *Bath Express*, afterwards the *Bath Herald*.

(\*) No. 2 of the *Morning Advertiser*, dated Feb 10, 1794, is in the British Museum; also *facsimile* of No. 1.

## TITULAR CHANGES AND AMALGAMATIONS

The following list, which deals only with publications which have not completely passed out of existence, will afford considerable help in tracing the history of some of the oldest newspapers and periodicals, and greatly assist in a search for many which are otherwise difficult to find owing to some trifling alteration in the leading title.

The date of issue or of change, where ascertained, follows the title; a second title printed in *italic* indicates that the list must be again entered with that title until the new-found one is printed in Roman character, when, if further information is required, reference should be made to the publication in the Alphabetical List, page 1.

When a publication has received a new title, the contraction *bec.* signifies "became"; and when a title has been incorporated, the contraction *inc.* stands for "incorporated with," "amalgamated with," or "merged into."

*THE LEADING DAILY OF THE AUSTRALIAN COMMONWEALTH.*

SINCE its first establishment in 1831 "The SYDNEY MORNING HERALD" has always maintained its position as the most prominent of high-class Australian newspapers. Its literary organisation is excellent, its printing machinery embraces the newest improvements, and its mechanical arrangements are of the most modern type. It is regarded as being the most influential journal in Australasia. His Honour Chief Justice Darley, when delivering an important judgment, recognised its position and referred to it as "**the leading paper of the colony.**" It has special correspondents in all parts of the world, it circulates everywhere, and as an advertising medium it is unequalled. Of its Federal number on June 6, 1899, 273,000 sixteen-page papers were published.

## EAST ANGLIAN DAILY TIMES.

Independent. Established 1874. ONE PENNY.

Chief Offices: IPSWICH. London Office: 149 FLEET STREET, E.C.

Circulates in Suffolk, Norfolk, Essex, Cambridgeshire, Lincolnshire, Hertfordshire, and Middlesex, covering a wider field than any other Eastern Counties Paper.

It is the recognised medium for all Business, Official, Legal, and Parliamentary notices, and is generally the selected paper for Prospectuses, in consequence of the position it obtains among the moneyed classes.

The EAST ANGLIAN DAILY TIMES is an eight-page paper, and the array of advertisements is a sure proof of the favour in which it is regarded by the public.

The aim of the EAST ANGLIAN is to publish a sheet which will dispense with the necessity of taking a London Newspaper, and in which all the news of the district is focussed; it is therefore an excellent combination of a London and provincial paper.

From first to last its circulation has regularly and steadily increased, and that increase was never so apparent as in the past few years.

The scale of charges for Advertisements may be obtained of James WILLING, Junr., Lim., or any Advertising Agents, or will be sent on application to the Chief Office or London Office as above.

The only Official Organ and Independent Paper published representing the large body of Traders associated with the Licensed Victualling interests is the

**LICENSED VICTUALLERS' GAZETTE and HOTEL COURIER,**

Which has a large circulation, being six times larger than all the other papers representing the same trades combined. Attention is called to the fact that in all the principal hotels, taverns, and other licensed houses throughout England, Scotland, Ireland, and Wales, is the LICENSED VICTUALLERS' GAZETTE taken in, because its well known literary features form an attraction to the proprietors' customers themselves. Consequently, to the members of the trade, their own official organ is of such value to them that they cannot do without it in their houses, it being the means of drawing customers. The LICENSED VICTUALLERS GAZETTE is the only paper published giving in its news columns each week an authentic list of all the hotels, inns, and taverns, with their leases, rentals, &c., which are for sale, and the results of the London sales appear also in the following week.

The circulation of the LICENSED VICTUALLERS' GAZETTE exceeds that of any other trade journal, and therefore its value as a medium for advertising the sale or letting of breweries, hotels, restaurants, inns, taverns, and all other kindred properties is evident. Persons who have such to dispose of will find that the LICENSED VICTUALLERS' GAZETTE is the best, and indeed the only true medium for bringing the announcement before the notice of the entire trade everywhere. The ordinary business advertiser may be sure of his announcements being read by multitudes of the general public, as the LICENSED VICTUALLERS' GAZETTE lies about all the week in the licensed houses throughout the kingdom.

The LICENSED VICTUALLERS' GAZETTE and HOTEL COURIER is published every Friday morning (price 2d.), at 81 Farringdon Street, London, and advertisements are received till 6 o'clock on Thursday evening as above.

**THE MANCHESTER GUARDIAN.**

ESTABLISHED 1821. PUBLISHED DAILY. PRICE ONE PENNY.

The "MANCHESTER GUARDIAN" has long enjoyed the reputation of being the most influential of all Provincial Papers. It is acknowledged to have the largest circulation throughout the Manufacturing Districts of Lancashire and Cheshire, one of the most thickly populated districts in the world, containing, exclusive of Liverpool and Birkenhead, over twenty towns of more than 50,000 inhabitants. In the large towns throughout the South-west of Yorkshire it is largely read and by the issue of a Special Edition for Wales, it has greatly increased its circle of readers in North Wales. In addition, it has a circulation peculiar to itself among the more cultivated classes of Great Britain in every district, and claims with justice to be one of the leading Political Papers in the country. A reference to its columns at any time will show that it contains a far larger number of Mercantile Advertisements of the highest class than any other News, paper out of London.

**SPECIAL TRAIN EXPRESSES.**—The Proprietors of the "MANCHESTER GUARDIAN" have made arrangements with the London and North-Western Railway Company for two Special Newspaper Trains, one leaving Manchester (Exchange) for Wigan, at 2:20 a.m. and the other leaving London Road for Crewe, at 3:25 a.m. daily. These arrangements place them in communication with trains running North and South which have hitherto only been available for an earlier edition. They are thus in a position to place before all their readers a fuller record of the latest telegraphic intelligence than has hitherto been practicable.
